WELCOME TO SANCTUARY CHRISTIAN CAMP

ABOUT US

A Brand new Christian Summer Camp -
Brought to you by members of the team
behind the former

and members of Rossendale (and
surrounding areas) Christian fellowships.

Between us we have decades of
experience organising and running a
successful Christian Summer Camp.

This is a new chapter, this is Sanctuary
Christian Camp. We hope you'll join us.

WHO IS IT FOR?

Sanctuary Christian Camp is a short getaway designed for church families, youth groups, and children, primarily from Rossendale and the surrounding areas.

We welcome families, young people, and leaders from a wide range of churches and Christian backgrounds - as well as those who may not yet know Jesus. At Sanctuary Christian Camp, we focus on the core aspects of the Christian faith, creating a space for spiritual growth, fellowship, and fun.

Alongside families, church youth groups are welcome to attend with their leaders. Additionally, we rely on dedicated volunteers to help bring this special event to life.

WHAT DO WE DO?

Sanctuary Christian Camp is an incredible camping experience where lasting memories are made. It's a time of great fun, fellowship, delicious meals, and new friendships. One of the best things about camp is the opportunity to step away from the distractions of daily life and truly connect - with each other and with God - over a few unforgettable days.

OUR MEETINGS

Each day at Sanctuary Christian Camp, the day is centered around our main gathering. Our gatherings will include times of worship through music and song, engaging Bible-based talks presented in a relevant and relatable way, together with opportunities for open discussions.

These moments help us explore how, in today's world, we can live our best lives, deepen our faith, and challenge our understanding of our awesome God. As Christians, we believe in the power of prayer, so prayer is an important part of our meetings.

Other elements may include drama, games, and videos, ensuring our sessions are interactive and engaging. We aim to cater for different age groups and learning styles, making each meeting a fun and meaningful experience for everyone

WHAT ELSE DO WE GET UP TO?

There's plenty to do at Sanctuary Christian Camp! Our schedule is packed with exciting activities, opportunities for trips, and moments to relax and unwind in the beauty of our surroundings - all within a safe, loving, Christian environment where we can learn more about Jesus.

But Sanctuary Christian Camp is more than just a holiday - it's an experience that could change your life!

Throughout our time at camp, we enjoy a variety of activities, including crafts, sports, games, swimming, late-night fun, campfires, 'midnight' walks, great food, music, and plenty of time to simply relax and be together.

WHO IS ON OUR TEAM

+

HOW DO WE OPERATE?

Sanctuary Christian Camp is led by a team of experienced Christian adult volunteers who are fully trained and supervised. The safety and well-being of everyone at camp is our top priority. All our leaders and volunteers undergo rigorous checks in line with our Safeguarding & Child Protection Policy.

For our volunteers / leaders this includes completing an Enhanced DBS check and providing a reference from a church leader as part of the volunteer application process.

We are a not for profit organisation, and our entire team serves on a voluntary basis, generously giving their time and effort to help make Sanctuary Christian Camp a success.

Several of our core team, the trustees, are 'Camp' veterans, including;

Rev. Stephen Crook. Stephen's first involvement with running Camp dates back to the early 1980's, and he's been heavily involved running the camp ever since. Stephen retired from being a primary school head teacher and is now in full time ministry as the minister of Christ Church in Ramsbottom, after spending many years as a Baptist Minister alongside his teaching career.

Brothers, **Matthew and Daniel** have grown up attending Camp all their lives, first as children and then as leaders. Their Grandad, Jack Pickup, was one of the founders of the original Camp (Goodshaw) in the 1960s which ran successfully up until 2023, before a change in circumstances which ultimately led to the start of Sanctuary Christian Camp. Matthew and Daniel's own children now attend, making them 4th generation Campers.

HOW DO WE OPERATE?

Sarah, our cook, has also been attending camp for many years. First as a child and then as a leader. Sarah's Grandad, John Watson, founded the original Camp (Goodshaw) with Matthew and Daniel's Grandad Jack. Sarah's Grandma, Iris, was the camp cook for many years, until Sarah's mum took over the role. Sarah, although still involved with the ministry and other aspects of Camp, as much as she can be, has changed roles to head up the kitchen after her mum stepped down from the role.

Logan, grew up attending Camp for many years as a young lad before helping wherever possible as a 'young leader'. Over more recent years Logan has been a crucial member of the team and heavily involved with the running of Camp. Logan is experienced in working with children in educational settings, schools and clubs....and has also worked at summer camps in America.

Of course, there are many other people involved in the organising and running of Camp and each play an equally important role.

As we are camping in a field, safety and security are our highest priorities. Campers are accommodated in tents, typically shared by several young people or a family. Adults bringing a Children's / Youth group are housed in adjacent tents to provide supervision and ensure a safe environment.

Leaders patrol the site during the late evening, and even when most of us are off site on a trip, there is always a dedicated team on-site. Recommended ratios of adults to children are always followed and we exceed these. In addition, we operate a comprehensive Child Protection Policy, which is available upon request.

There is ample parking for vehicles in a designated area of the site.

Prior to Sanctuary Christian Camp, a 'Group / Family Leaders Pack' will be sent out to all adults attending and a 'Campers Pack' for all children. These will contain everything everyone needs to know about the week, including the timetable.

MEDICAL

Sanctuary Christian Camp has an experienced, trained first-aider with current certificates and training from one of the national organisations. Others within the Camp who hold a current first aid certificate will be part of a team.

DIET

Our menus are carefully planned to provide balanced, nutritious meals in appropriate portions for campers of all ages. We happily accommodate vegetarians and can cater to special dietary requirements, provided we are informed in advance. It is essential that we are made aware of any food allergies before the start of camp to ensure the safety and well-being of all campers. (See booking form)

EXTRAS

The price shown for Sanctuary Christian Camp is totally inclusive of all accommodation, food and activities. However, there may be an opportunity to purchase little treats like sweets, drinks or small gifts etc. So a little pocket money would be a good idea.
